TOUGHPAD FZ-Q2MK1

SEMI-RUGGED DETACHABLE MOBILE COMPUTER

With shock-absorbing technology, MIL-STD 810G certification, the 12.5" Toughpad FZ-Q2 has been designed to operate in challenging working environments. It offers more protection than a consumer grade tablet without the weight of a fully rugged device. Featuring business interfaces like native serial and LAN it's the perfect companion for white collar field workers. The semi rugged design and large display combined with optimised wireless capabilities enables retail, insurance and telecoms to further improve operation efficiency.
