

**2011 Veolia World Solar Challenge  
Day 3 - Tuesday 18 October 2011  
PROVISIONAL RESULTS**

| Position   | Team Name                             | Team No | Country        | Day  | Arrival Time | Control Stop  | Approx km.   |          |
|--|---------------------------------------|---------|----------------|------|--------------|---------------|--------------|----------|
|  |                                       |         |                |      |              |               | from Darwin* | Solar km |
| 1  | Tokai Solar Car Team                  | 1       | Japan          | Tues | 16.02        | Kulgera       | 1766         | 1766     |
| 2  | Nuon Solar Car Team                   | 3       | Netherlands    | Tues | 16.37        | Kulgera       | 1766         | 1766     |
| 3  | University of Michigan                | 2       | USA            | Tues | 16.41        | Kulgera       | 1766         | 1766     |
| 4  | Ashiya University                     | 81      | Japan          | Tues | 15.49        | Alice Springs | 1492         | 1492     |
| 5  | Aurora                                | 45      | Australia      | Tues | 15.50        | Alice Springs | 1492         | 1492     |
| 6  | Solar Team Twente                     | 21      | Netherlands    | Tues | 15.57        | Alice Springs | 1492         | 1492     |
| 7  | UNSW Solar Team                       | 74      | Australia      | Tues | 16.16        | Alice Springs | 1492         | 1492     |
| 8  | Umicore Solar Team                    | 8       | Belgium        | Tues | 16.30        | Alice Springs | 1492         | 1492     |
| 9  | Istanbul University                   | 34      | Turkey         | Tues | 15.20        | Ti Tree       | 1302         | 1302     |
| 10   | Stanford Solarcar Project             | 16      | USA            | Tues | 15.38        | Ti Tree       | 1302         | 1302     |
| 11   | Team Okinawa                          | 90      | Japan          | Tues | 16.17        | Ti Tree       | 1302         | 1302     |
| 12   | Nanyang Tech Uni                      | 98      | Singapore      | Tues | 9.11         | Tennant Creek | 988          | 988      |
| 13   | Apollo Solar Car Team                 | 95      | Taiwan         | Tues | 9.25         | Tennant Creek | 988          | 988      |
| 14   | Sakarya University                    | 6       | Turkey         | Tues | 9.52         | Tennant Creek | 988          | 988      |
| 15   | Solar Energy Racers                   | 15      | Switzerland    | Tues | 11.02        | Tennant Creek | 988          | 988      |
| 16   | Principia Solar Team                  | 32      | USA            | Tues | 13.00        | Tennant Creek | 988          | 988      |
| 17   | Qazvin Islamic Azad University        | 73      | Iran           | Tues | 13.01        | Tennant Creek | 988          | 988      |
| 18   | MIT SEVT                              | 4       | USA            | Tues | 13.19        | Tennant Creek | 988          | 988      |
| 19   | Team Solar Philippines                | 88      | Philippines    | Tues | 13.30        | Tennant Creek | 988          | 988      |
| 20   | University of Calgary                 | 65      | Canada         | Tues | 13.37        | Tennant Creek | 988          | 988      |
| 21   | Onda Solare                           | 9       | Italy          | Tues | 13.39        | Tennant Creek | 988          | 988      |
| 22   | Universidad de Chile                  | 85      | Chile          | Tues | 14.22        | Tennant Creek | 988          | 988      |
| <b>Teams which have trailed their Solar Vehicles</b> |                                       |         |                |      |              |               |              |          |
| 23   | Anadolu Solar Team                    | 99      | Turkey         | Tues | 13.38        | Tennant Creek |              | 962      |
| 24   | CalSol                                | 25      | USA            | Tues | 11.50        | Tennant Creek |              | 763      |
| 25   | Team Bochum                           | 11      | Germany        | Tues | 12.06        | Tennant Creek |              | 748      |
| 26   | Cambridge Uni Eco                     | 12      | United Kingdom | Tues | 10.27        | Tennant Creek |              | 615      |
| 27   | Seraaj                                | 63      | Saudi Arabia   | Tues | 14.10        | Tennant Creek |              | 615      |
| 28   | TAFE South Australia                  | 62      | Australia      | Tues | 13.40        | Tennant Creek |              | 490      |
| 29   | University of Toronto                 | 77      | Canada         | Tues | 12.27        | Tennant Creek |              | 433      |
| 30   | Eclipse 7 Solarcar Team               | 92      | Canada         | Tues | 9.41         | Tennant Creek |              | 378      |
| 31   | University of Tehran                  | 22      | Iran           | Tues | 13.45        | Tennant Creek |              | 373      |
| 32   | University of Waterloo - Midnight Sun | 24      | Canada         | Tues | 9.50         | Tennant Creek |              | 336      |
| 33   | Durham University                     | 14      | United Kingdom | Tues | 13.50        | Tennant Creek |              | 243      |
| 34   | Uniten                                | 10      | Malaysia       | Tues | 13.04        | Tennant Creek |              | 108      |
| 35   | Uni Malaysia Pahong                   | 17      | Malaysia       | Tues | 13.14        | Tennant Creek |              | 102.6    |
| 36   | Green Maniac                          | 87      | Korea          | Tues | 11.17        | Tennant Creek |              | 72       |
| 37   | Solaris                               | 7       | India          | Tues | 12.02        | Tennant Creek |              | 62.9     |
