

## Tech List

Our Tech List will help you with your holiday packing. We've even included some extra boxes so you can tick it all off when coming back home, to make sure nothing gets left behind!

Also before you leave home, make sure you:

1. Have music, movies (for you and the kids), etc. in your device(s).
2. Save your itinerary to one of your mobile devices.
3. Turn off the thermostats and the electric water heater/tank – if you have one.
4. Unplug your computer, TV and other electronic devices. Even turned off, they are using up electricity.
5. Can receive calls if you travel internationally. For internet connection, if you don't have a plan with your mobile operator, you might want to turn off the data on your phone and buy a compatible SIM when you arrive at your destination.
